Youssif Emad

MERN Stack Developer

+201154878944 | youssifbebo@gmail.com | linkedin.com/in/youssif-emad | github.com/jrjood

Profile

Detail-oriented and results-driven Full-Stack Web Developer with hands-on experience in building dynamic web applications using the MERN stack (MongoDB, Express.js, React, Node.js). Skilled in designing responsive front-end interfaces, developing secure back-end APIs, and deploying full-stack applications. Proficient in integrating third-party services, implementing authentication, and optimizing performance. Strong collaborator with a track record of leading projects, solving complex problems, and delivering high-quality code in agile environments.

Education

Bachelor of Computer Science
El Shorouk Academy   2019 – 2023

Bachelor's Project

AI Voice assistant robot
Developed an advanced AI-powered robot system designed to act as an intelligent assistant in hotel lobbies, answering FAQs and providing hotel-related or general information.
Technologies: Python, Deep learning with Tensorflow, Face-detection, Voice-recognition, NLP, Arduino
Result: Achieved Grade A+

Personal Projects

Omnifood Front-End Project
Created a responsive, modern landing page for a 365-day food subscription service. Integrated JavaScript to enable interactive elements such as menu highlights, navigation, and call-to-action sections.
Technologies: HTML, CSS, JavaScript, Responsive Web Design
GitHub Link : https://jrjood.github.io/Omnifood/

Investment Calculator App
Developed a single-page React application to calculate investment growth over time based on user inputs. Built responsive UI components using React hooks and props to handle state and form data effectively.
Technologies: React, JavaScript, CSS
GitHub Link : https://jrjood.github.io/Investment-calculator-project/

Jobify Full-Stack App
Built a full-stack job posting platform that allows employers to post job listings and users to search, filter, and apply for jobs. Developed responsive front-end interfaces in React and RESTful APIs using Express and Node.js, with MongoDB handling data storage.
Technologies: React, Node.js, Express.js, MongoDB (MERN Stack)
GitHub Link : https://jrjood.github.io/Jobify/

Work Experience

WordPress Developer   Dec 2023 – Aug 2024
PromoLinks Company
- Developed and customized responsive WordPress websites, optimizing layouts, plugins, and UI components for cross-device compatibility.
- Integrated Google Firebase for real-time web data handling, authentication, and user input storage across web platforms.
- Collaborated with developers using Git for version control, contributing to feature branches and resolving merge conflicts efficiently.
- Designed a daily test report dashboard using HTML, CSS, and JavaScript to visualize QA results for the team.

Leadership / Extracurricular

Graduation project Team Leader   Jul 2022 – May 2023
- Led a team of 8 members to develop and present a comprehensive
  graduation project, successfully meeting all project
  goals and deadlines.

HR volunteer at IEEE Shorouk Academy   Oct 2021 – May 2022
- Collaborated with the HR team to organize recruitment events, helping to
  attract and on-board new members. By conducting interviews and
  assessments for potential members, evaluating their skills and fit for
  various roles.

Certificates

Object-Oriented Programming in Python – DataCamp	Sep 2020
SQL Fundamentals Track – DataCamp	Aug 2021
Deep Learning in Python – DataCamp	Oct 2022
Build Responsive Real-World Websites with HTML and CSS - Udemy	Sep 2023
The Complete JavaScript Course: From Zero to Expert - Udemy	Jan 2024
React - The Complete Guide - Udemy	Apr 2024
Complete NodeJS Developer - Udemy	Dec 2024
MERN 2025 Edition - MongoDB, Express, React and NodeJS - Udemy	Apr 2025

Skills

Programming Languages:
Python, HTML, CSS, JavaScript

Database Management:
MongoDB, MySQL, SQL

Technologies/Frameworks:
React, Node.js, Express.js

Web Technologies/Tools:
WordPress, Figma

Operating Systems:
Linux, Windows

Version Control:
Git, GitHub

Developer Tools:
VS Code, CodeSandbox, CodePen

Microsoft Office:
Word, Excel, PowerPoint

Soft skills

Time management

Problem-solving

Communication skills

Critical Thinking

Languages

Arabic - Native Speaker

English - Proficient
